12-18M	29-31" 80 CM	22-27 LBS
18-24M	31-34" 90 CM	27-30 LBS

Our clothing is made of 100% soft & stretchy, medium weight, 185gsm premium cotton.

Machine Wash Gentle Warm. Tumble Dry Low. These are the care instructions on most items in our shop.

Occasionally we'll suggest hand laundering, especially for products with lace, bow or flower embellishments and personalization.

Industry standard for baby apparel is to use age as the size, but it's important to measure your child as it's possible to have an older child that still needs a smaller size, or conversely a younger child that needs to size up. If your child falls into two different sizes between weight and length then it is best to size up to insure a better fit.
